Red vs Blue

Red vs Blue

Spending time at Sidewinder

Episode 1: What are we doing here?

(on top of the blue base) Manny: God I'm fucking freezing. Why don't they send us parkas or something? Instead I'm stuck here in this stupid MJOLNIR armor. No extra layers, no central heating. Instead I'm just freezing my ass off 24/7.

Bullor: Are you mental? This stuff is sate of the art! We can jump like 20 feet in the air! Dodge bullets! And you're bitchin about the cold?! We're like superhuman!

Manny: You're freezing too aren't you.

Bullor: Whaâ€¦.. Yeah you're right. At least we're not stuck at blood gulch.

Manny: Yeah. You can fry an egg on on of these things if you're outside for more than a hour.

(scene switches to behind the red base on the cliff)

Jerry: (put the sniper rifle up to his eye) Alright I can see them.

George: Wait a second? What are we doing here spying on these guys?

Why don't we jusst shoot them if we can see them? It's a fucking sniper rifle! Not your daddy's precious binoculars!

Jerry: I lost the bulletsâ€¦.

George: What?

Jerry: I lost the Goddamn bullets all right! Are you happy?

George: I don't even know why I come on these scouting missions with you. I would be a lot better off just sittin back at red base, sippin my tea under a blanket. If my tea is frozen when we get back your head will be my teacup.

Jerry: (looks away from the sniper rifle) Bitch.

George: What?!

Jerry: (Quickly looks back) Nothing.

George: No I think that you said something.

Jerry: No I didn't.

George: I'm pretty sure I heard you say something.

Jerry: It was the wind. Wind does some pretty weird stuff in caves (mimes wind blowing with his voice while saying "asshole") Wow listen to that! It's amazing what Mother Nature's works can do!

(bullets ping off the wall beside them.)

Jerry/George: Son of a Bitch!

Manny: (holding an battle rifle) Yeah suck it red!

Bullor: (holding a sniper rifle) You retard! I had the maroon one all lined up!

Manny: Heh heh you said maroon. It sounds like moron.

(Manny and Bullor start giggling)

(Jerry and George run back to their base through the caves screaming like little girls.)

(fade to black) Manny: Seriously though, do you think I could get a trade?

(We hear the sound of Bullor hitting Manny)

Manny: Ow! What the fuck was that for!

Bullor: Shut up asshole. You already screwed up the whole plan. Don't ruin my stay on planet cold ass.

Manny: Butâ€¦.

Bullor: (cutting off Manny) Sighâ€¦ too late.

2. episode 2

Episode 2: Why me

Episode 2: Why me? Poor me!

(at the red base)

George: Jerry! Get your ass over here and look at this! What the hell are you doing in there anyway?

(Jerry walks out)

Jerry: It froze Georgeâ€¦.. it froze and I had to break it off! I am never going to the can in this place again. Goddamn it's cold here. Rest in peace frozen happy stick!

George: Yeah whatever. I've got more important things to do than listen to your life experiences. For God's sake we have a crisis here!

Jerry: You don't meanâ€¦?

George: Yes Jerry. The general is coming today. And he's bringing a new recruit with him.

(the scene switches to the blue base)

Manny: Bullor check this out!

(Bullor comes up) Bullor: For God sake Manny, I'm not looking at your frozen spit sculpture again! It's just fucking wrong man!

Manny: It's not that. Although I have been thinking up some new designs for my next piece of art. It's called "Bullor sucks my cock!" I put hard work into that!

Bullor: Okay that was just mean man.

Manny: Yeahâ€¦ I'm sorry man that was unnecessary.

Bullor: So what did you want jackass?

Manny: Yeah a) fuck you, and b)the general is coming by today with a new recruit.

Bullor: Aw man not another rookie?

Manny: Yeah and no doubt that since he is in standard issue blue he'll be mistaken for the general for god sake.

Bullor: Yeah what a stupid plotline that would be I mean come on!

Manny: Heh heh yeahâ€¦ Wait a second! What is all this stuff about plotlines and shit? Should I know something?

Bullor: No I just think it would be good to keep these thing within our perspective.

Manny: Now perspectives? What the hell are you talking about man?

Bullor: (nervously) I have to go to the bathroom now. I'll be right back.

Manny: (calling after him) Wait! I need to be enlightened!

Bullor: Meditate!

General: Hello maggots!

Abbal: Oh oh are these the maggots you were talking about on the way over here?

General: Yes Abbal these are the maggots I was talking about! Bunch of disgrace to this fine army of ours!

Manny: Nice to see you too sirâ€¦

(Abbal walks up on the base)

Abbal: Oh boy! Now I am taller! I have always wanted to be taller!

(Manny hits Abbal and he falls off the base)

Abbal: Now I am shorter. But I see pretty stars!

Manny: I think we just lost the war. Why me?

(switch over to red base)

George: Oh poor me!

Elaine: Hi guys lets kill those stupid blue assholes!!

Jerry: Just what we need. An annoying girl on our team. I think we just lost the war.

General: Hey. Shut up.

(fade to black)

Elaine: Hey where's my brother?

Abbal: Hey where's my sister?

General/General: Oh shit.

P.S in red vs blue donut is mistaken for sarge because he has the same colour armor. But you already knew that didn't you. Yes you did. Because you are not a douchebag.

3. episode 3

Episode 3: Oops

Episode 3: Oops

(at red base)

Jerry: So lets get this straight. You assigned a girl to our team. Against her brother?!

General: They were supposed to both come to our base!

George: Of course they were sir. No competent General would have made that mistake. You on the other handâ€¦

Jerry: Hey! Don't insult the General! That's my job.

Elaine: Wait a second. So you're telling me that this cockbite screwed up the orders so that my brother went to the blues? Man what a moron.

George: I think you'll fit in just fine here.

(at blue base)

Manny: Cool. Totally fucking cool. I think that we have a bargaining chip guys.

(Everyone turns to Abbal)

Abbal: Everyone is looking at me. I am the centre of attention. I am special.

(Manny hits him)

Abbal: Oh look. The pretty stars are back. Yea!

Bullor: Why did you hit him?

Manny: I dunno. It felt good.

Bullor: Oh! Let me try!

(Bullor hits Abbal)

Bullor: Wow that did feel good.

Manny: I know.

General: Stop hitting the recruit!

Manny: But sirâ€¦

General: Shut up ballsack!

Bullor: Yes sir.

Abbal: My sister is over at the red base?

Manny: Yes Abbal. Your sister is at the red base.

Abbal: Then lets go get her!

General: You can't do that maggot! You're our communications expendable!

Abbal: Huh?

Manny: He means our trading card.

Abbal: Oh. That does not sound good.

Bullor: Of course it doesn't sound good. We haven't had much luck with trading cards in the past. Remember Liz?

Manny: Oh yeah. Man poor Liz.

General/Bullor/Manny: Sighâ€¦

Bullor: Heyâ€¦. Where'd the rookie go?

(Abbal is running at red base)

Abbal: Charge!! I'll save you Elaine!!

(fade to black)

Manny: Oh crap there he is.

(Abbal still screaming in the background)

Bullor: Is it really worth it to go save him?

General: I paid 9.95 for him! Unless one of you maggots has that on youâ€¦

Manny: (cutting him off) Ok ok we're going we're going. God I hate this fucking war.
